

Commission declaration

Written statement at the adoption in the European Parliament of the Proposal for a REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL laying down supply chain due diligence obligations for Union importers of tin, tantalum and tungsten, their ores, and gold originating in conflict-affected and high-risk areas

In response to the request of the European Parliament for specific guidelines, the Commission is willing to develop performance indicators specific to the responsible sourcing of conflict minerals. By means of such guidelines, relevant companies with more than 500 employees that are required to disclose non-financial information in conformity with Directive 2014/95/EU would be encouraged to disclose specific information in relation to products containing tin, tantalum, tungsten or gold.
